Sharon Sklar, BFA, LMT, Cert. Adv. Rolfer
West Hartford • 860.561.4337
SharonSklarRolfing@gmail.com
sharonsklarrolfing.com

Rolfing®—The Art and Science of Body Change. A dynamic 10-session bodywork series that eases pain, improves movement, and restructures your body when you feel "out of whack." A hands-on and educational approach that establishes order and balance after life's injuries, stresses, and accidents. Since 1981.

THERMOGRAPHY

April Beaman, RDH, CTT

CT Thermography

Farmington and Glastonbury, CT
860.415.1150 • ctthermography.com

CT Thermography specializes in medical thermal imaging. Breast thermography is a compression and radiation-free screening tool used to monitor breast health to detect physiological changes that may be early warning signs of a disease process. As a certified thermographic technician, I help empower women to take a proactive approach following their thermography screening for optimal breast health.
